STATEMENT ACCOMPANYING PETITION UNDER 37 C.F.R. § 1.137 TO REVIVE UNINTENTIALLY ABANDONED APPLICATION

Sir:

This paper accompanies a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 C.F.R. § 1.137(b) in connection with the above-identified application and an associated fee payment pursuant to 37 C.F.R. § 1.17(m). No other fees are believed to be due in connection with this submission. However, if any other fees are determined to be due in connection with any aspect of this application, the Commissioner, Assistant Commissioner, and/or the Director of the U.S. Patent & Trademark Office is/are authorized to charge Browning Bushman Deposit Account No. 02-4345, referencing matter GLN-031US.

Assignee hereby petitions for revival of the above-identified application, which was abandoned unintentionally. The facts are as follows:

- The undersigned attorney for Assignee has recently assumed responsibility of this application. Former counsel for Assignee have dissolved their practice, closed their office, and relocated to another state.
- An Office Action ("the Office Action") was issued on October 4, 2005 and
 was mailed to the former address of prior counsel for Assignee.
- As a consequence of the address to which the Office Action was mailed, there was some delay in receipt of the Office Action from prior counsel.
 Moreover, the Office Action was transmitted to the undersigned my means not customarily used for official U.S. Patent & Trademark Office mailings.
- Consequently, the Office Action was not subjected to the intake processes
 customarily applied to U.S. Patent & Trademark Office mailings by the
 undersigned and his firm. Thus, the due date for response to the Office
 Action was not properly taken note of as it would have been had it been
 received directly from the Patent Office.

In re Patent Application of Wiederrecht et al. S.N. 10/528,995 Statement Accompanying Petition Under 37 C.F.R. § 1.137 for Revival of Unintentionally Abandoned Application

Through unintentional oversight, and without the reminders normally

provided to the undersigned, a response to the Office Action was not

timely submitted.

It is believed that the foregoing facts show that the abandonment of the

application was wholly unintentional pursuant to 37 C.F.R. § 1.137(b)(3).

A Response to Office Action fully responsive to the Office Action is submitted

concurrently herewith.

Revival of the application and entry of the Amended Response is respectfully

requested.

Respectfully submitted,

Date: 9 - DEC- 2006
